

THE FIERY FURNACE

On Fire for God

Activity

Shadrach, Meshach and Abednego were on fire for God! They did not care what the consequences were, they were going to worship God and not the image of gold. Because of their decision, God protected the three Hebrew boys. In this activity the children will learn how they too can be on fire for God!

Procedure

1. Print and cut the On Fire for God cutouts.
2. Hang the furnace on the wall.
3. Help the children think of some ways they can be on fire for God. (For example: tell others about God, put God first, worship God, learn more about God, etc)
4. Write on the flames and attach to the furnace.

Explanation: Remind the children to always stay strong in their faith.
