

God Created The World

Sequence of Creation

Genesis

Materials

sequence cards (included)

Activity

God took six days to create the earth and everything in it. Then he set aside an entire day as special. In this activity the children learn what God created on each day and why it's important to rest on the seventh day.

Procedure

1. These sequence cards are perfect for placing the days of creation in proper order. Each of the seven different cards reflects what was created that day.
2. Have the children put the days of creation in the correct order.
3. Tell the children that God made the Sabbath a special day to rest and think about him.

Explanation

After the activity remind the children that God rested on the seventh day.
