

SODOM AND GOMORRAH

The Fail of Two Cities

Activity

Sodom and Gomorrah were two cities that were filled with people who did wicked things. God finally could not take any more and had to destroy the two cities. This made God sad, but he could not let the evil go on any longer. In this activity the children will test their ability to distinguish good from bad. Explain to the children that God loves us all but he must discipline evil.

Procedure

- Print the "Good or Bad Actions" Sheet
- Go through all of the actions on the sheet and have the child circle the good actions and put an "X" through the bad actions.

Explanation: Remind the children that God loves us all but he must discipline evil.

Good or Bad?

Circle the good actions and put an "X" through the bad actions.
