

# SAAC IS BORN

## Baby Footprints Activity

### Activity

We may not know it, but God is looking down from heaven on us every moment. God God promised Abraham and Sarah that they would have a son. When they became older, they began to wonder if they would still have this promised baby. Just as God promised, Baby Isaac was born to Abraham and Sarah, even in their old age. Let the children know that God keeps his promises.

### Procedure

- Print the Baby Footprints Activity Sheet on cardstock paper.
- Have the children use the side of their hands to paint footprints all over the sheet.
- Display as a reminder of Gods special promise to Abraham and Sarah.

**Explanation:** Remind the children that God always keeps his promises.
